(Not applicable to customers on the Circles.Life 5GB and 6GB Monthly Plan)

1. Circles Australia Pty Ltd ABN 25 630 647 264 (Circles) offers a referral program as described in the "referrals" section of the Circles.Life app and these terms and conditions (Referral Terms).
2. These Referral Terms apply to the referral program and are subject to Circles' Standard Form of Agreement and the Fair Use Policy agreed to as part of the Circles.Life plan signup process available at <https://circles.life/au/legal>. Refer to the Critical Information Summary applicable to your Circles.Life plan and our Standard Form of Agreement for more information about your Circles.Life plan.
3. The referral program may be withdrawn or amended by Circles at its sole discretion.
4. An existing Customer of Circles (Referrer) may obtain a unique personal referral code (Referral Code) by using the "referrals" functionality on the Circles.Life App.
5. The Referrer may provide the Referral Code to friends or family. The Referrer must be mindful not to send unwanted spam messages and only send direct messages (such as emails, SMS texts or information sent via private messaging facilities on social media platforms) inviting people to use the Referral Code to subscribe to the Circles.Life plan to people the Referrer knows or believes may be interested in subscribing to the Circles.Life Service.

Spamming is strictly not allowed. Spamming is where the Referrer repeatedly posts their Referral Code with no intent or positive value other than to disseminate their referral code indiscriminately. This includes but is not limited to posting Referral Codes on the Circles.Life Facebook Page, Instagram, Twitter and/or any other third-party website or page of which the Referrer is not an owner of.

6. The Referrer shall not solicit referrals by coercing or misleading any layperson with untruthful or inaccurate representations of Circles of any kind.

It should be clear to any layperson that the Referrer, in sharing their Referral Code and information about Circles, is not an employee or official representative of Circles. The Referrer shall not, and shall not attempt to insinuate that they are affiliated with Circles in any way.

The Referrer shall not sell or offer Referral Codes on any third-party website.

7. If Circles believes that any referral is illegitimate or fraudulent, Circles reserves the sole right to disqualify and remove the benefits from the relevant individuals.
8. Circles reserves the sole and absolute right to withdraw, amend and/or alter these Terms and Conditions at any time without giving any prior notice to you.
